Mr. Ronald (Ron) Weinberger is the Director of the Security Cooperation Programs Office where he is responsible for the program execution of products and services in support of an international portfolio that exceeds \$50 Billion while overseeing a workforce of over 400 Government and Contractor Support personnel worldwide.

Mr. Ronald Weinberger is a recipient of the U.S. Navy Meritorious Civilian Service Award, as well as several internationally recognized citations while serving on Federal and Statewide Task Forces. His leadership has led to numerous initiatives to expand and strengthen the network of partnerships with other U.S. Services, agencies, industry, and international allies and partners.

The following are several but not all of the initiatives implemented by Mr. Ronald Weinberger:

- Developed the first Department of State pre-approved blanket Third Party Re-Transfer Assurance among Department of Defense agencies to encourage the United States and Allied collaborative efforts.
- Procured and successfully established a logistics support structure for Soviet-era aircraft for the Afghan Army Air Corps while delivering aircraft ahead of schedule and under budget.
- Established the NAVAIR Foreign Military Sales Transportation Team, ensuring dedicated shipments to and from overseas locations.
- Established a Regional International Logistics Sustainment Center that provides cost-effective, comprehensive support of repairs, training, staging, and transportation services by leveraging partnerships with Federal and State Agencies, as well as industry partners.
- Successfully led the development of a new business logistics strategy, which resulted in the first sale of F/A-18F aircraft to the Government of Australia. This successful process established an agile Strategic Logistics Development Team, which is used today supporting multiple aviation campaigns.

Mr. Ronald Weinberger is a regular guest speaker with the Defense Acquisition University, as well as various symposiums. His prior assignment was 17 years with the F/A-18 program office as the overall International Logistics Principal Lead as well as the Finland F-18 Logistics Manager.

Mr. Ronald Weinberger is a graduate of the University of Southern Mississippi, is an active high school football coach, who is involved with several non-profit civic programs, and is the father of three children.
